

Promocionando la ruta dorada en el área de Humanidades: una propuesta de calidad

Leticia Barrionuevo y María-Luisa Alvite-Díez

justificación y objetivos

The image shows a close-up, slightly high-angle view of a lawn. The grass is green but mostly obscured by a thick layer of fallen, brown, and some yellowish leaves. The leaves are scattered across the entire frame, creating a textured, autumnal background. Overlaid on the top left portion of the image is the text 'justificación y objetivos' in a clean, white, sans-serif font. The text is arranged in two lines: 'justificación y' on the top line and 'objetivos' on the bottom line. The overall composition is simple and focuses on the seasonal theme of the background.

A close-up photograph of a sandy beach. The sand is light brown and textured. In the lower-left corner, there is a shadow cast by an object, possibly a person's leg or a shadow from the camera. The rest of the image shows various footprints and indentations in the sand, suggesting a path or activity. The lighting is bright, creating soft shadows.
